

NORTHWEST OUTWARD BOUND SCHOOL

Dear Donors,

Thank you for having offered this amazing opportunity for students like me. I never expected to have my scholarship application be accepted but it happened. From being able to see the world through new eyes and learning new things that I had never noticed before. I learned how to work with a team and learn about how little I can live off of. Seeing the rugged beauty of the Alpines made me realize how lucky I am to have been able to hike through and explore. I really do appreciate your effort in helping regular students and underprivileged students like me achieve and do more than what is expected of them. I made some great friends and had some fantastic instructors. I hope to maybe be able to work for your program after I graduate. I will be forever grateful for this truly life changing experience. Thank you.

Student Name: KayLee Bobadilla

Course Dates: 6/17/16 - 6/30/16

Scholarship Award Type: Pinnacle

Course Name & Activities: Alpine backpacking hike

Student Age: 15

Ethnicity (optional): Mexican
